Report unacceptable behavior

You can easily report suspicious listings or sellers who are breaching our terms and conditions by clicking the Community watch link at the bottom of every listing.

Problem may include:

- Seller is not located in Australia
- Listing item in the wrong category
- The listing breaches copyright or is for fake or pirated goods
- The item is on Indian Heritage's banned or restricted list.

We will review each and every listing that is reported and take action if appropriate. If you have reported the listing and it is removed, you will be sent an email. If the listing is not removed, you won't be notified.
